Call for Applications: ASEAN-Japan Youth Forum 2026

University students from AUN member institutions are invited to apply for this fully funded short-term exchange program in Thailand and Japan under the WA Project 2.0. Centered on the 2026 theme, “Living in Harmony with Nature: Reimagining the Biosphere from an Asian Perspective,” the program combines online learning, field visits, group discussions, and collaborative action planning. Support includes international airfare, accommodation, meals, and local transportation during the program. Applicants must be ASEAN nationals, currently enrolled in an undergraduate program, and able to participate fully in English.

Deadline: May 1, 2026 (23:59 GMT+7).
